## CUSTOM OEM UPGRADE

### 1x6.5" Subwoofer enclosure

The Cruise series brings you the DLS natural sound engineered for integration. Easy to install and the perfect upgrade from your OEM system.

- Model-specific enclosure for Volkswagen ID.4, ID.5 and ID.7, designed to sit in the under-floor luggage compartment and keep the boot fully functional.
- Cruise CRSB enclosures are tuned for true hi-fi bass, adding low-end weight that stays natural and controlled.
- 6.5" DLS Cruise CR6D.2 subwoofer in a carefully tuned reflex cabinet, delivering fast, low-distortion bass that blends easily with the system.
- Warm and textured low-end bass, adding a solid foundation without overpowering the rest of the system.
- Compact, rigid construction with a discreet OEM-style finish and a protective metal hex grille.
